Jets & Breakfast

Strong turnout for J&B, fantastic work on breakfast. Great weather day for flying Jets, unfortunately a few crashes.

Safety Brief (Reminders)

Taxiing is permitted from tables to runway, but limited from runway to pilot stands.

Tail draggers (warbirds) should default to left to right takeoffs due to +P factor to prevent injuries in the pit area, unless high wind prohibited.

Ground Crew

Volunteers always welcome Thursday at 12 noon for field upkeep.

Reminder to help save our mowers by kicking any parking lot rocks off the grass back into the lot.
